

Agomab to Present at 40th Annual J.P. Morgan Healthcare Conference and Announces Additional Upcoming Conference Participations in Q1

Ghent, Belgium, January 12, 2022 – [Agomab Therapeutics NV](#) ('Agomab') today announced that Tim Knotnerus, Chief Executive Officer, will present a company overview and update at the virtual 40th Annual J.P. Morgan Healthcare Conference on Thursday, January 13 at 8:00 a.m. ET (14:00 CET).

In addition, Agomab will participate in the following financial conferences over the next quarter:

- SVB Leerink Global Healthcare Conference – held virtually on February 14-15, 2022
- Cowen 42nd Annual Healthcare Conference – Boston, USA on March 7-9, 2022
- Oppenheimer 32nd Annual Healthcare Conference – March 15-16, 2022

About Agomab

Agomab is translating a deep expertise in growth factor biology to pioneer and develop novel treatments that aim to resolve fibrosis, repair tissue structure and restore organ function. Combining new scientific insights with robust drug development and a long-term corporate vision, we are building a broad clinical pipeline of differentiated programs with disease modifying potential in severe organ failure and fibrotic diseases.
